FEATURES

The Zero-X Rapture drone puts you in the pilot's seat with its Wi-Fi First Person View controller. Rapture has a black box function, so if you lose Wi-Fi range it will continue recording uninterrupted footage. Rapture's 360° Flip button allows you to perform impressive aerobatic tricks at the easy press of a button. Rapture's FPV controller has a 450mAh rechargeable battery meaning that you do not have to buy disposable AA batteries and the drone features a 1,000mAh battery for a generous 9 minutes of flight time.
